## Checklist to use when shopping for an Afterschool program:

Look and Listen:
* Does the program seem clean, safe and organized?
* Do children and youth appear to be happy in the program?
* Does staff seem to work well together?
* Is staff respectful of each other?
* Are the children busy with activities?
* Do the children help each other and cooperate?
* Do you hear happy sounds in the program?
* Are staff engaged in activities and conversation with the children and youth?
* Are there adequate materials and space for a variety of activities?
* Are there quiet, soft spaces for reading, quiet games and relaxing as well as space for active play?
* Do the materials and program space reflect diversity?
* Does the space reflect the work and interests of the children and youth in the program?
* Does the program provide a rich learning atmosphere that supports children's education?
* Is the playground area safe? Is it fenced in? Is there some kind of cushioning material under climbing equipment?
* Does the bathroom look and smell clean?
* Are there adequate supplies?
* Are all hazardous materials kept out of reach of children and youth?
* Do food preparation areas look and smell clean?
NOTES:
Ask The Children:
*Do you like coming here?  *Are you able to choose what activities you want to do and with whom?  *Do you help plan activities?  *Do the children here get along well with each other?  *Do you feel safe here?
NOTES:

*Are you aware of national quality standards?  *Do you have a list of family references I can contact?  *Is the program licensed?  *Is the program accredited?  *What is the program's mission and philosophy?  *May I have a copy of your policies?  *Does this include schedules and fees?  *Have all staff members been trained in CPR and first aid?  *How are families involved in the program?  *Do you have an orientation for new families?  *Do you offer any financial assistance?  *Do you serve children with special needs?  *How does the program support children 's education and learning?  *NOTES:  *Ask The Staff:  *What is your system for knowing where my child is at all times?  *What is your procedure for handling emergencies?  *How do you handle sick children?  *Are children able to get a drink or use the bathroom when needed?  *NOTES:
